

Atomic_quantity

```
graph BT; Density --> Atomic_quantity; Potential --> Atomic_quantity;
```

The diagram illustrates a hierarchical relationship between three concepts. At the top level is a box labeled 'Atomic_quantity'. Below it, two boxes labeled 'Density' and 'Potential' are positioned side-by-side. A horizontal line connects the top of these two boxes, and a vertical arrow points upwards from the center of this line to the bottom of the 'Atomic_quantity' box, indicating that both 'Density' and 'Potential' are subtypes or components of 'Atomic_quantity'.
